(G) SCREENING CONCLUSION STATEMENT		
<i>Selected relevant category for project assessed by ticking box.</i>		
1	AA is not required because the project is directly connected with/necessary to the conservation management of the site	
2	No potential significant affects/AA is not required	X
3	Significant effects are certain, likely or uncertain. Seek a Natura Impact Statement Reject proposal. (Reject if potentially damaging/inappropriate)	

Justify why it falls into relevant category above (based on information in above tables)

Based on the distance and lack of pathways, the proposed works will not impact on any designated sites.

Based on the above it is considered that there is no need to proceed to a stage 2 NIS.

The Planning Authority concludes that the works proposed, individually or in combination with other plans and projects, will not have a significant effect on any European Site.
